Subject: Letter of Recommendation
Republic Refrigeration, Inc.

To Whom It May Concern:

This letter is to confirm that Republic Refrigeration, Inc. of Monroe, NC, successfully completed a refrigeration system installation for BE&K Building Group at the below referenced project. The refrigeration contract value was \$2,594,503.00. BE&K Building Group was the General Contractor on the project and Republic Refrigeration provided the refrigeration scope turn-key. Republic's installation went smoothly and was completed on time and within budget. They were a pleasure to work with.
