Dear Hank:

Enclosed is a copy of a letter which I received from Mr. Dave Kuntz, Vice President/Operations of I. D. I., expressing his appreciation for the job that we recently completed.

It is altogether to seldom that a customer will take the time to write such a letter, and since credit for a good job has to be earned through the efforts of everyone involved, I wanted you to have a copy of the letter and to also have a chance to express my appreciation for your contribution in making this a good project.

Yours very truly,
HAMBY CONSTRUCTION COMPANY
